

'Talk to God' Kids' Talk

The Bible tells us that we can talk to God anytime, anywhere about anything. Whether we are feeling happy or sad or somewhere in between, we can talk to God and tell him how we are feeling. And we know that God listens to our prayers because of Jesus. Using stories, toys and a catchy song, this talk celebrates the gift of prayer and reminds kids that they can talk to God no matter what is going on in their lives. What a privilege to be able to talk to the God of the universe!
